# Disney Villains Take Center Stage at Select Disney After Hours Nights Events at Magic Kingdom Park

by Jennifer Fickley-Baker, Editorial Content Manager, Walt Disney World Resort

<u>Disney After Hours</u> has been a huge success with guests looking for the opportunity to experience the magic at Magic Kingdom Park after the sun goes down. Today, I'm excited to share a new reason to delve into the delights of Disney After Hours this summer – Disney Villains will add a wicked twist to Disney After Hours event nights June 6-August 8!

In case you aren't familiar, Disney After Hours is a special event that's open to a limited number of guests and offers low wait times at more than 20 attractions and experiences after the park closes to day guests, from classics like the Haunted Mansion, Jungle Cruise, Pirates of the Caribbean, and Space Mountain, to newer favorites like Seven Dwarfs Mine Train, plus many more. Event tickets also allow entry as early as 7 p.m., which gives you time to enjoy fireworks before heading off to the attractions. Ice cream novelties, popcorn and select bottled beverages are also included in the cost of admission.

This summer, Disney Villains After Hours will take on a wickedly fun villains theme, with exclusive entertainment, food & beverage, merchandise and more.

Here's a taste of what new elements to expect:

- A Brand-New Disney Villains Stage Show Hades and Meg from "Hercules" will set the castle stage ablaze in this all-new stage show, Villains Unite the Night, which will also feature appearances by Jafar, The Queen, Dr. Facilier and Maleficent.
- **Spot Maleficent the Dragon** Maleficent the Dragon, with her Steampunk style and signature wicked grin, will be let loose for the first time at night breathing fire as she creeps through the park as a one-of-a-kind experience for party guests.

- **Villanous Enhancements:** Discover surprising, villain-inspired additions at Pirates of the Caribbean and Space Mountain.
- **Wickedly Good Food & Beverage** -A variety of special food & beverage offerings will also be available for purchase, including tasty desserts, drinks and dishes inspired by The Queen, Cruella de Vil, Maleficent, Hades, Dr. Facilier and even Emperor Zurg.
- **Event Merchandise** Event attendees can also purchase new logo merchandise, as well as items from a curated collection of the best Disney Villains merchandise available.
- One Notorious Item to Note: Ever driven to stand out in their unpredictable and audacious fashion, while the Villains will be entertaining guests in the new stage show, they will not be participating in character greetings during the event.

If you really wanna get in on the action, feel free to show off your sinister side by dressing in attire inspired by your favorite baddie.

Disney Villains After Hours tickets cost \$139 plus tax in advance, \$144 plus tax on the event night. Keep your eye on the Disney Parks Blog in the coming weeks for booking details! Annual Passholder and Disney Vacation Club Members can take advantage of a \$30 discount and purchase tickets for \$109. Tickets for these specific Disney Villains After Hours event nights will go on sale April 29.

# Firearms Policy-Shades of Green

Firearms are not allowed at Shades of Green. Weapons may not be carried, kept in guestrooms, secured in guestroom safes, nor stored in vehicles while at Shades of Green. If you arrive with any weapon or firearm, you are required to declare it and turn it in to our Security Department upon arrival on property. Notify a Front Desk agent, and a Security Officer will meet you at the porte-cochere to receive the weapon. The weapon owner will be required to ensure the weapon is not loaded (clear) in front of the Security Officer; this will be done in the Bell Desk area, out of the view of our other guests. The Security Officer will give you a receipt for the weapon. The weapon will be taken to the Shades of Green Security Center and locked in a weapons cabinet for safe keeping until checkout. The weapon owner will keep any ammunition. On your day of departure, please contact the Front Desk or the Security Center (extension 1458) at least one hour before check out to allow a Security Officer time to return the weapon.
